BYLAWS
OF
THE LANDINGS ASSOCIATION, INC.

ARTICLE 1. GENERAL

Section 1.1. Applicability. These Bylaws provide for the self-government of The Landings Association, Inc., in accordance with the Articles of Incorporation filed with the Georgia Secretary of State (“Articles of Incorporation”) and the Declaration of Covenants, Conditions, and Restrictions for The Landings Association, recorded in the Chatham County, Georgia land records, as amended (“Declaration”).

Section 1.2. Name. The name of the corporation is The Landings Association, Inc. (“Association”).

Section 1.3. Definitions. The terms used herein shall have their generally accepted meanings or such meanings as are specified in Paragraph 2 of the Declaration.

Section 1.4. Membership. An Owner of a Lot or Living Unit shall automatically become a Member of the Association upon taking title to the Lot or Living Unit and shall remain a Member for the entire period of ownership. As may be more fully provided below, a Member’s spouse or domestic partner may exercise the powers and privileges of the Member. Notwithstanding the foregoing, the spouse or domestic partner of a Member shall not be a Member of the Association within the meaning of O.C.G.A. § 14-3-140(22); 740(2) and 741. If title to a Lot or Living Unit is held by more than one (1) person, the membership shall be shared in the same proportion as the title, but there shall be only one (1) membership and one (1) equal vote per Lot or Living Unit. Membership does not include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner’s membership. Membership shall be appurtenant to the Lot or Living Unit and shall be transferred automatically by conveyance of that Lot or Living Unit and may be transferred only in connection with the transfer of title.

Section 1.5. Entity Members. In the event an Owner is a corporation, limited liability company, partnership, trust, or other legal entity not being a natural person or persons, then any natural person who is an officer, director, or other designated agent of such corporation, partner of such partnership, beneficiary or other designated agent of such trust, manager of a limited liability company or representative of such other legal entity shall be eligible to represent such entity or entities in the affairs of the Association, including, without limitation, serving on the Board of Directors of the Association. Such person’s relationship with the Association shall terminate automatically upon the termination of such person’s relationship with the entity or entities that are the Owner, and termination of the person’s relationship with the Association will create a vacancy in any elected or appointed position within the Association in which such person may have been serving and such vacancy will be filled in accordance with these Bylaws.

Section 1.6. Voting. Each Lot or Living Unit shall be entitled to one (1) equal vote, which vote may be cast by the Member, the Owner’s spouse or domestic partner, or by a lawful proxy as provided below. When more than one (1) person owns a Lot or Living Unit, the vote for such Lot or Living Unit shall be exercised as the co-owners determine between or among themselves, but in no event shall more than one (1) vote be cast with respect to any Lot or Living Unit. If only one (1) co-owner attempts to cast the vote for a Lot or Living Unit, it shall be conclusively presumed that such co-owner is authorized on behalf of all co-owners to cast the vote for such Lot or Living Unit. In the event of disagreement between or among co-owners and an attempt by two (2) or more of them to cast such vote or votes, such Persons shall not be recognized and such vote or votes shall not be counted. No Member shall be eligible to vote, either in person or by spouse, domestic partner or proxy, or to act as a proxy for any other Member if that Member is shown on the books or management accounts of the Association to be more than thirty (30) days

delinquent in any payment due the Association or if the Member's voting rights are suspended for the infraction of any provision of the Declaration, these Bylaws, or any rule of the Association. If the voting rights of a Member have been suspended, that Member shall not be counted as an eligible vote for purposes of establishing a Majority or a quorum.

Section 1.7. Majority. Unless otherwise specifically stated, the term "Majority vote" means more than fifty percent (50%) of those voting in person or by proxy. Except as otherwise specifically provided in the Declaration or these Bylaws, all decisions shall be by Majority vote.

Section 1.8. Purpose. The Association shall have the responsibility of administering the community, establishing the means and methods of collecting the contributions to the common expenses, arranging for the management of the community and performing all of the other acts that may be required to be performed by the Association pursuant to the Georgia Nonprofit Corporation Code and the Declaration. Except as to those matters that the Declaration or the Georgia Nonprofit Corporation Code specifically require to be performed by the vote of the Association membership, the administration of the foregoing responsibilities shall be performed by the Board of Directors as more particularly set forth below.

Section 1.9. Electronic Documents and Electronic Signatures.

(a) Electronic Documents. Whenever these Bylaws require that a document, record or instrument be "written" or "in writing," the requirement is deemed satisfied by an Electronic Document. An Electronic Document is defined as information created, transmitted, received, or stored by electronic means and retrievable in humanly perceivable form including, without limitation, email, web pages, electronic documents, and facsimile transmissions.

(b) Electronic Signatures. Whenever these Bylaws require a signature, an Electronic Signature satisfies that requirement only if: (i) the signature is easily recognizable as a Secure Electronic Signature that is capable of verification, under the sole control of the signatory, and attached to the electronic document in such a way that the document cannot be modified without invalidating the signature; or (ii) the Board reasonably believes that the signatory affixed the signature with the intent to sign the Electronic Document, and that the Electronic Document has not been modified since the signature was affixed. An Electronic Signature is defined as a signature created, transmitted, received, or stored by electronic means.

(c) Verification and Liability for Falsification. The Board may require reasonable verification of any Electronic Signature or Electronic Document. Pending verification, the Board may refuse to accept any Electronic Signature or Electronic Document that, in the Board's sole discretion, is not clearly authentic. Neither the Board nor the Association shall be liable to any Member or any other person for accepting or acting in reliance upon an Electronic Signature or Electronic Document that the Board reasonably believes to be authentic. Any Member or person who negligently, recklessly, or intentionally submits any falsified Electronic Document or an unauthorized Electronic Signature shall fully indemnify the Association for actual damages, reasonable attorneys' fees, and expenses incurred as a result of such acts.

ARTICLE 2. MEETINGS OF MEMBERS

Section 2.1. Annual Meetings. The regular annual meeting of the Members shall be held at the date, hour, and place to be set by the Board of Directors. No annual meeting of the Association shall be set on a federal legal holiday.

Section 2.2. Special Meetings. Special meetings of the Members may be called for any purpose at any time by the President, by resolution of the Board of Directors, or upon written petition of Owners holding at least twenty-five percent (25%) of the total Association vote. Any such written petition by the Members must be submitted to the Association's Secretary. The Secretary shall then verify that the required number of Members have joined in the petition and shall submit all proper petitions to the Association's President. The President shall then call a special meeting for the purpose stated in the

petition setting the date, time and location of the meeting (which is not required to be the date, time or location requested in any petition submitted to the Association), and the Secretary shall send notice of the meeting in accordance with these Bylaws. Any special meeting called pursuant to written petition shall be set within sixty (60) days of the date of the receipt of the petition.

Section 2.3. Notice of Meetings. It shall be the duty of the Secretary to notify the record Owner of each Lot or Living Unit a notice of each annual or special meeting of the Association at least twenty-one (21) days prior to each annual meeting and at least seven (7) days prior to each special meeting. The notice shall state the purpose of any special meeting, as well as the time and place where it is to be held. The notice of an annual meeting shall state the time and place of the meeting. If any Owner wishes notice to be given at an address other than his or her Lot or Living Unit, the Owner shall have designated by notice in writing to the Secretary such other address. The notification of meeting in the manner provided Section 7.1 shall be considered proper service of notice.

Section 2.4. Waiver of Notice. Waiver of notice of meeting of the Owners shall be deemed the equivalent of proper notice. Any Owner may, in writing, waive notice of any meeting of the Owners, either before or after such meeting. Attendance at a meeting by an Owner, whether in person or represented by proxy, shall be deemed waiver by such Owner of notice of the time, date, and place thereof unless such Owner specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted at such meeting unless objection to lack of notice is raised before the business, of which proper notice was not given, is put to a vote.

Section 2.5. Quorum. Except as may be provided elsewhere, the presence of Owners, in person or by proxy, entitled to cast one-tenth (1/10) of the total Association vote shall constitute a quorum. Once a quorum is established for a meeting, it shall conclusively be presumed to exist until the meeting is adjourned and shall not need to be reestablished. Owners whose voting rights have been suspended pursuant to the Declaration or these Bylaws shall not be counted as eligible votes toward the quorum requirement.

Section 2.6. Adjournment. Any meeting of the Owners may be adjourned from time to time for periods not exceeding ten (10) days by vote of the Owners holding the Majority of the votes represented at such meeting, regardless of whether a quorum is present. Any business that could be transacted properly at the original session of the meeting may be transacted at a reconvened session, and no additional notice of such reconvened session shall be required.

Section 2.7. Proxy. Any Member entitled to vote may do so by written proxy duly executed by the Member setting forth the meeting at which the proxy is valid. To be valid, a proxy must be signed, dated, and filed with the Secretary prior to the opening of the meeting for which it is to be used. Proxies may be delivered to the Board by personal delivery, U.S. mail or facsimile transmission to any Board Member or the property manager. Proxies may be revoked only by written notice delivered to the Secretary, except that: (a) the presence in person by the giver of a proxy at a meeting for which the proxy is given shall automatically invalidate the proxy for that meeting; and (b) a later dated proxy shall automatically be deemed to invalidate any previously given proxy. A proxy holder may not appoint a substitute proxy holder unless expressly authorized to do so in the proxy. In the absence of the Member, the vote allocated to the Member's Lot or Living Unit may be cast by the Member's spouse or domestic partner who shall be conclusively deemed to be the Member's proxy.

Section 2.8. Action Taken Without a Meeting. In accordance with the Georgia Nonprofit Code, at the Board's discretion, any action that may be taken by the Association Members at any annual, regular, or special meeting may be taken without a meeting if the Board delivers a written ballot to the last known address of every Member entitled to vote on the matter.

(a) **Ballot.** A written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

Section 2.9. Order of Business. The President shall establish the agenda for, and preside at, and the Secretary shall keep the minutes of, all membership meetings. The Board of Directors may establish rules of conduct and the order of business for all membership meetings. When not in conflict with the Declaration, these Bylaws, the Articles of Incorporation or meeting procedures adopted by the Board of Directors, Robert's Rules of Order Newly Revised (latest editions) shall govern all membership meetings. The Board may order the removal of anyone attending a membership meeting who, in the opinion of the Board, disrupts the conduct of business at such meeting.

ARTICLE 3. BOARD OF DIRECTORS

Section 3.1. Composition and Eligibility. The affairs of the Association shall be governed by a Board of Directors. The directors shall be Owners or spouses or domestic partners of such Owners; provided, however, no Owner and his or her spouse or domestic partner may serve on the Board at the same time, and no co-owners may serve on the Board at the same time. Notwithstanding anything to the contrary herein, nothing in these Bylaws shall be deemed to prohibit an Owner that is a corporation, limited liability company, partnership, trust, or other legal entity not being a natural person or persons that owns more than one (1) Lot or Living Unit from appointing a different natural person as the designated agent for each of such Owner's Lots or Living Units as contemplated in Section 1.5 hereof and each such designated person shall be eligible to serve on the Board at the same time. No persons shall be eligible to be elected to or continue to serve on the Board of Directors if any assessment for such person or such person's Lot or Living Unit is shown on the books and records of the Association to be more than sixty (60) days delinquent.

Section 3.2. Number of Directors and Term of Office. The Board shall consist of nine (9) directors whose term shall run and expire in a staggered basis of three (3) years. Every year three (3), Directors shall be elected by the membership to serve a three (3) year term beginning on January 1 in the year immediately following their election. Directors shall be limited to serving no more than two (2) consecutive three (3) year terms. Such limits do not apply when filling a vacancy.

Section 3.3. Removal of Members of the Board of Directors. At any annual or special meeting of the Association duly called, any one (1) or more Board Members may be removed with or without cause by a Majority of all the Members, and a successor may then and there be elected to fill the vacancy thus created. Further, any director who is or whose Lot or Living Unit is shown to be more than sixty (60) days past due in the payment of any assessment or charge shall be automatically removed from the Board of Directors, even if the director subsequently pays the amount owed, and the vacancy shall be filled as provided in Section 3.4 below. Any director who has had three (3) consecutive unexcused absences from regularly scheduled Board meetings may be removed by the vote of a Majority of the other directors. A majority of the Board of Directors may also vote to remove a fellow Director for an act or omission not in good faith or which involves intentional misconduct or knowing violation of the law, the Association's Documents or Board policy or where a fellow Director deriving improper personal benefit. Any director whose removal has been proposed shall be given at least ten (10) days' notice of the calling of the meeting to consider his or her removal and the purpose thereof and shall be given an opportunity to be heard at the meeting.

Section 3.4. Vacancies. Vacancies in the Board caused by any reason, except the removal of a director by a Majority of the total Association vote, may be filled by a vote of the Majority of the remaining directors, even though less than a quorum, at any meeting of the Board of Directors. The successor so selected shall hold office to fulfill the term that is vacant for the remainder of that term. Notwithstanding

anything to the contrary herein, any director who is an officer, director, or other designated agent of an entity Member and whose position becomes vacant for any reason, may be replaced by the entity who is the Owner unless there has been a transfer of ownership of the Lot, in which case, the vacancy shall be filled by the remaining directors, even if less than a quorum at any meeting of the directors.

Section 3.5. Compensation. Directors shall not be compensated for services as such unless and only to the extent that compensation is authorized by a Majority of the Members voting at a duly called annual or special meeting of the Association. Directors may be reimbursed for the expenses incurred in carrying out their duties as directors upon approval of such expenses by the Board of Directors. Directors also may be given nominal gifts or tokens of appreciation by the Association for recognition of services performed, not to exceed a value of One Hundred Dollars (\$100) per calendar year. For purposes hereof, reasonable food and beverages purchased for Board meetings shall not be considered compensation.

Section 3.6. Director Conflicts of Interest. Nothing herein shall prohibit a director from entering into a contract and being compensated for services or supplies furnished to the Association in a capacity other than as director, provided that the director's interest is disclosed to the Board and the contract is approved by a Majority of the directors who are at a meeting of the Board of Directors at which a quorum is present, excluding the director with whom the contract is made. The interested director shall not count for purposes of establishing a quorum of the Board. The interested director shall be entitled to be present at any meeting at which the proposed contract is discussed but shall not be entitled to discuss the proposed contract during the discussion.

Section 3.7. Nominations. A Nominating Committee shall be appointed by the Board no later than the regular May Board meeting each year and shall consist of at least seven members, two of whom shall be a Board Member, who may be the chairperson, and the Board member ex officio, plus at least five members who shall not be members of the Board. The Committee's procedures will follow Guidelines established by the Board. These Guidelines will be kept by the General Manager and passed on to the Chairperson of the Committee. Changes to those Guidelines must be approved by the Board.

The Committee shall serve until the new directors are elected and qualify. The Nominating Committee shall publish the vacancies on the Board, calling for resumes of those willing to stand for election. The Board of Directors shall establish the election day on a date not earlier than September 1 nor later than December 31.

The Committee shall review the resumes, interview the candidates, and select at least two to stand for election for each vacancy. The Committee may nominate only Members who meet the eligibility requirements. The names of the selected candidates shall be announced and published with accompanying photographs and biographies in *The Landings Journal*. Only Members of record as of the close of business ten (10) days before the date selected for mailing Ballots shall be eligible to vote.

Section 3.8. Election. Election to the Board shall be by secret written ballot in lieu of a meeting delivered in person or by mail to the Association's office, or cast online, on or before 5:00 PM on the election day. Ballot packets shall be prepared and distributed to the Members not less than thirty (30) days no more than forty-five (45) days before election day. The packet shall include the following:

- a. Instructions for completing and returning the ballot, including details on how to vote online.
- b. The ballot describing the vacancies to be filled, a list of the candidates, and space for write-in votes. Candidates' names shall be rotated, rather than listed alphabetically, so that all candidates' names appear in the same position on approximately an equal number of ballots.
- c. An envelope marked "Ballot" in which to seal the ballot, if a paper ballot is included
- d. An envelope, addressed to the Association, in which to return the ballot, if a paper ballot is included. If a paper ballot is returned, this envelope must be signed by at least one Member of record.

The online voting system will be used to track results and to determine the outcome. The process will be reviewed with the President and Secretary. Should the vote also include a paper ballot, the Association will contract with its auditing firm to validate and manually enter those results into the online voting system. In either case, the Association will not have access to how a specific owner has voted. At the conclusion of the voting process, the results will be reported to the President and Secretary, who promptly shall report the results to the Members.

Any paper ballots received by the Association shall be stored in a secure location until turned over to the auditing firm for tabulation. Prior to that time, Association staff may inspect the return envelopes for signatures. Unsigned returns shall be set aside unopened by staff or by the auditing firm and not included in the counting of ballots. The Association's auditing firm shall count the paper ballots within three (3) business days after election day in a manner that protects the confidentiality of the vote of a Member.

The three (3) candidates receiving the largest number of votes shall be elected. If there is a tie vote in the totals, and the tie remains after two recounts, such event shall be referred to the Board of Directors and the tie shall be broken by a majority vote of the Board. The vote by the Board shall be by secret ballot and verified by the President. The results shall be made public promptly.

If between election day and the following January 1 when the new Directors are elected and qualify, a Director-Elect is unable, or is otherwise ineligible, to serve, the candidate receiving the next largest number of votes, as verified by the President and Secretary, shall be deemed elected.

The auditing firm shall secure the vote returns until the new Directors are elected and qualify on the following January 1, after which date said returns shall be destroyed, unless the vote has been challenged.

Cumulative voting is prohibited.

Section 3.9. Regular Meetings. Regular meetings of the Board for the year shall be established at the first Board meeting in January and will be published in each issue of *The Landings Journal* as notification to the Members. No further notice of regular Board meetings shall be required, and such meetings may be held at such time and place as shall be determined from time to time by the Board but such meetings shall be held at least once each quarter. The newly elected Board shall meet within thirty (30) days after each election of new directors.

Section 3.10. Special Meetings. Special meetings of the Board may be called by the President on two (2) days' notice to each director given by regular first class or electronic mail, in person, by telephone, or by facsimile transmission, which notice shall state the time, place, and purpose of the meeting. Special meetings of the Board shall be called by the President, Vice President, Secretary, or Treasurer in like manner and on like notice on the written request of at least two (2) directors.

Section 3.11. Waiver of Notice. Any director may, at any time, in writing, waive notice of any meeting of the Board, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the Board shall also constitute a waiver of notice by him or her of the time and place of such meeting. If all directors are present at any Board meeting, no notice shall be required and any business may be transacted at such meeting.

Section 3.12. Quorum of Directors. A Majority of directors shall constitute a quorum for the transaction of business and the votes of a Majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a Majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a Majority of the directors present at such meeting may adjourn the meeting to a time not less than four nor more than 20 (twenty) days from the date of the original meeting. At the reconvened meeting, if a

quorum is present, any business that might have been transacted at the meeting originally called may be transacted without further notice.

Section 3.13. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book recording therein all resolutions adopted by the Board of Directors and a record of all transactions and proceedings occurring at such meetings. The records of the corporation may be kept in physical and/or electronic records.

Section 3.14. Open Meetings. All regular meetings of the Board shall be open to all Members. Members other than directors may not participate in any discussion or deliberation unless expressly so authorized by the Board. Notwithstanding the above, the Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The Board may order the removal of any meeting guest who, in the Board's opinion, either disrupts the conduct of business at the meeting or fails to leave the meeting upon request after an announcement of reconvening in executive session.

Section 3.15. Action Without a Meeting. Any action by the Board required or permitted to be taken at any meeting may be taken without a meeting if a Majority of the directors consent to such action in writing, sent via hand delivery, regular first class or electronic mail or facsimile. Such consents must describe the action taken and be signed by no fewer than a Majority of the directors, and such consents shall be filed with the minutes of the Board of Directors.

Section 3.16. Powers. The Board of Directors shall manage the affairs of the Association and shall have all of the powers necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Governing Documents and as provided by law. The Board may do or cause to be done all acts and things that the Governing Documents or Georgia law do not direct to be done and exercised exclusively by the membership.

In addition to the powers imposed by these Bylaws and the Declaration or by any resolution of the Association that may hereafter be adopted, the Board of Directors shall have the power to and authority for the following, in the way of explanation, but not limitation:

- (a) preparing and adopting, in accordance with the Declaration, an annual budget establishing each Owner's share of the common expenses;
- (b) levying and collecting such assessments from the Owners;
- (c) providing for the operation, care, upkeep, and maintenance of the Common Properties;
- (d) designating, hiring, and dismissing the personnel necessary for the operation of the Association and to carry out the rights and responsibilities of the Association and the maintenance, repair and replacement of the Common Properties, and, where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;
- (e) depositing all funds received on behalf of the Association in a bank depository which it shall approve and using such funds to operate the Association, provided any reserve funds may be deposited, in the directors' best business judgment, in depositories other than banks;
- (f) making and amending rules and regulations and imposing sanctions for violation thereof, including, without limitation, monetary fines;
- (g) opening of bank or other financial accounts on behalf of the Association and designating the signatories required;

- (h) making or contracting for the making of repairs, additions, and improvements to, or alterations of the Common Properties in accordance with the Declaration, Bylaws, and Rules and Regulations;
- (i) enforcing by legal means the provisions of the Declaration, Bylaws, and Rules and Regulations and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association;
- (j) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate;
- (k) paying the costs of all services rendered to the Association or its Members and not directly chargeable to specific Owners.
- (l) keeping books with detailed accounts of the receipts and expenditures of the Association;
- (m) making available to any Owner, and the holders, insurers, and guarantors of any Mortgage on any Lot, current copies of the Governing Documents and other books, records, and financial statements of the Association in accordance with these Bylaws;
- (n) permitting utility suppliers to use portions of the Common Properties reasonably necessary to the ongoing development or operation of the Properties.

Section 3.17. Borrowing. The Board of Directors shall have the power to borrow money on behalf of the Association, without Member approval, for the purpose of maintenance, repair, restoration, or improvement of the Common Properties and facilities, and for any other legal purpose; except that, if the proposed borrowing is for the purpose of making discretionary capital improvements and the total amount of such borrowing, together with all other debt incurred within the previous 12-month period, exceeds or would exceed 10% of the budget gross expenses of the Association for that fiscal year, the Board shall obtain the approval of at least two-thirds (2/3) of all of the members.

Section 3.18. Liability and Indemnification of Officers, Directors and Committee Members. The Association shall indemnify every officer, director, and committee member against any and all expenses, including attorneys' fees, reasonably incurred by or imposed upon such officer, director or committee member in connection with any action, suit, or other proceeding (including settlement of any such action, suit, or proceeding, if approved by the then Board of Directors) to which he or she may be made a party by reason of being or having been an officer, director or committee member, whether or not such person is an officer, director or committee member at the time such expenses are incurred subject to the limitations below. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, or for injury or damage caused by any such officer, director or committee member in the performance of his or her duties, except for his or her own individual willful misfeasance or malfeasance or as otherwise set forth in O.C.G.A. § 14-3-202(a)(i). The Association, in determining whether to indemnify a director, officer or committee member, shall not impute knowledge to said director, officer or committee member from any source whatsoever; rather, any such determination shall be based on the actual knowledge of the director, officer or committee member.
